## **Project Report status: Elearning with Byju's**

**WE ARE GRATEFUL TO JAINA USA to have sponsored the LENOVO TABS which has enabled 117 needy students to continue their education with elearning facilities with BYJU educational software**

Jaina USA and Ratna Nidhi Charitable Trust (RNCT) have associated in good faith of uplifting and supporting the vulnerable students from the schools of the different states like Maharashtra and Gujarat.

The reach of this 2<sup>nd</sup> E LEARNING Proejct is 117 beneficiaries (66 boys and 51 girls) from the different age group. The age group 7 to 16 years old students, who were studying in class 2<sup>nd</sup> std to 10<sup>th</sup> std. The students are selected from the different cities, surburb, town like Deesa, Jetpur, Palanpur, Surendranagar, Surat, Bhavnagar, Bhayandar, Nadiyad, Vadodara, Goregaon, Palghar, Virar, Malad, Sihor, Wadhwan etc.

The students are selected from the socio-economically vulnerable Ares, RNCT did the survey to find such kind of families, During the covid period most of the parents are lost the jobs.. This students are from SSC, GSEB, ICSE, Pratham Board (special child)etc.

### **Benefits of the app –**

The application creates a friendly environment and transports students to a world of interactive videos, educational games, engaging quizzes, and activities.

These apps help kids to understand the concepts in easily way and children are enjoying to used this app and build the confidence and interest in learning. The interesting part of this app is children can used this app in any time; there is no restriction or fix time for study. Students can selected their own time for study. The learning part of this app is to develop the interest among the children because they introduces different games and it develop much creative ways so the children should think innovative way while learning.

These apps include rhymes, learning alphabets, number and lots more. All these apps are filled with fun activities to ensure students do not get bored.

At BYJU'S, students are also provided with the latest sample papers, question papers, worksheets and other exam materials to help them learn in a better way.

## **Effective learning pattern-**

Ratna Nidhi Charitable Trust's major objective is to provide education opportunity to every child. Currently RNCT and Jaina USA reached to the different areas of the Maharashtra and Gujarat.

Byju's learning concept helps the children to build their knowledge and their creative thinking pattern. This in turn makes children sharper and creative.

These students are from different boards like SSC, GSEB, CBSE, ICSE boards. Byju's software can be easily used by different boards students.

Byju's app help the children to think creatively and critically. Which helps the students for their brain development and enables them to think effectively. The highest number of the students are learning this app are from 5<sup>th</sup> std students. It means the children growth will start from the early childhood.

## **Benefits of Byju's Online session –**

Currently due to COVID pandemic, the schools and colleges are closed. Hence, the students are learning with the help from Byju's. This app is environment friendly which means there is no need of network availability once the app is downloaded, it can be used in remote or rural area as well.
