Mobility Camp in Kargil

Enabling the disabled through a mobility camp in challenging remote locations

Going Digital

Computer Centres set up in public schools for young India from the low income groups

Vision 10K

Creating an impact for our community helpers & children by facilitating free eye tests and finest quality eye glasses

Official NGO Partner with Maharashtra Government

Ratna Nidhi signs an MOU with Government of Maharashtra as part of the Mahaparivartan program

Mahaparivartan, a Maharashtra Government initiative, is focused on using the Public-Private Partnership for social development of Maharashtra. Ratna Nidhi is the official NGO Partner for various programs under Healthcare & Education.

In Partnership with Essilor Vision Foundation, France Ratna Nidhi will facilitate screening of 1 million school children in rural Maharashtra for vision correction. Further, donating custom made Prescription Eye Glasses to 1.50 lac students of low income group. Titan Eye Plus and Lotus Eye Hospital also partner with Ratna Nidhi to conduct more vision screening camps for the underserved.

As part of the signed MOU Ratna Nidhi aims to provide free mobility and prosthetics aids to physically disabled people and also set up libraries in rural Maharashtra.

VISION 10K

Vision 10K program is aimed at helping upto 10,000 underserved in Mumbai city by providing high quality prescribed eye glasses post vision screening camps.

This quarter we created an impact with our community helpers by conducting screening camps with Mumbai/Pune Police and BMC Workers apart from children from the low income group. **4,701** people have been screened till date out of which **972** people will be receiving prescribed eye glasses.

RATNA NIDHI PLACEMENTS

Ratna Nidhi helps provide free skill training thereby enabling livelihood opportunities for people with movement disabilities

Our Disabled Beneficiaries placed in the Amazon Logistics Space

- Kargil
- Mumbai
- Nashik
- Pune
- Gujarat

2400+ legs will now be walking with dignity with the help of Jaipur Foot and Calipers distributed this quarter by Ratna Nidhi.

WE WERE AT KARGIL

Rough weather conditions, conflicted/isolated areas or less connectivity is not coming in our way to reach out to those who need us. We successfully organised a mobility camp in Kargil to enable people with physical disabilities. The smaller villages continue to be disconnected due to limited access and connectivity in the region restricting their access to better healthcare facilities.

OPEN LIBRARY

We have set up an open library in our Grant Road office in Mumbai which currently houses 60,000 educational books ranging from story books to encyclopaedias, world books to national geographic sets, educational based reference books for all ages and all subjects. **26000 + books** have been taken since November, 18 till date by various underserved schools and colleges.

COMPUTER LABS

We have managed to set up 2 computer labs in Chembur, Mumbai & Palanpur, Gujarat. 170 computers have been donated. The children who will be accessing these computers are the ones who do not know what a smart phone can do or have never touched a computer keypad before. In our effort to make India truly digital, these schools will now be able to introduce computer education and make them future ready.

LIBRARY ON WHEELS

Reading is Fundamental and not a privilege. Library on wheels program helps the young minds access books, in turn allowing them to read, imagine and grow. The first project is launched in Chandrapur, Maharashtra with the help of ACC Trust. Countless children in 13 villages across Chandrapur are looking forward to the moving library once in two weeks spreading smiles in the form of books :)

GARMENTS PROJECT

Clothes to the underserved mean safety, protection, self respect and recognition unlike fashion, choice and brand. With the aim of providing them basic right to clothing we have been donating good conditioned/refurbished clothes neatly packed in new like packages to the homeless, street children, men and women of all ages living below the poverty line. 5000+ units of garments have been distributed since Nov, 18 till date.
