TRIBUTE TO COVID WARRIORS!

Date: 3rd July 2021

Project Name: **TRIBUTE TO COVID WARRIORS**

Project Objective: To distribute 16001 sheera packets to COVID-frontline workers in Mumbai.

Project Distribution Partner: This project has been executed in association with Rotary District 3141, Rotary Club of Bombay Sea face, Rotary club of Queens Necklace (List attached in Annexure 1)

Project Purpose:

We all are affected by the current COVID 19 pandemic. However, the impact of the pandemic and its consequences are felt differently depending on the status as individuals and as members of society. This pandemic is killing people on large scale. But various frontline workers are standing like an angel, warriors to face this pandemic. Frontline workers include health workers from hospitals, BMC departments, BMC drainage workers, Police, Fire brigade, etc.

As a part of society, Ratna Nidhi's charitable trust always evolves and adopts the challenging times into an opportunity to help others. We stand by the saying **"TOGETHER we stand, TOGETHER we win."** Despite the hardships and health risks, millions of essential frontline workers continue to do their work in COVID 19. We decided to give our heartfelt gratitude and salute to the effortless service of all the frontline workers working in different parts of Mumbai.

Project Brief:

Ratna Nidhi has planned the day in two parts. One is the sheera preparation and another operational distribution part. There was 7 experience MasterChef prepared sheera in around 15 cooking slots. Cooking in different slots helped to serve the hot delicious sheera in the whole day. 21 people effortlessly worked on the packaging of sheera and coordinated with various institutions.

3rd July 2021 marked a Special day at Ratna Nidhi as we embarked on a Challenging Journey of serving 16,001 sheera to COVID Warriors in Mumbai.

We cooked 2500 kg of Milk Sheera and packed it into aluminum foil containers. Each container contained 150 grams of sheera and was delivered via our partner network to hospitals, the sanitation department of MCGM wards, and several police stations in Mumbai.
